February 2017

Welcome to all our new friends and supporters and a huge thank you to all who continue to help us raise the much-needed funds for Playgroup. This newsletter is our way of thanking the organisations and individuals who have chosen to make Marlow Opportunity Playgroup (MOPs) their charity of choice and hopefully inspire all our readers to organise or join one of our events and make a difference to the lives of the wonderful children at Playgroup. As you are all aware, fundraising is crucial to continue to operate and maintain the high standard of care and support our precious children enjoy at MOPs.

We received an amazing donation of £3168 from the Kop Hill Climb the Historic Motor Sport event organised by a group of volunteers working for the Buckinghamshire Community Foundation (BCF), their web site is worth a visit if you are interested in motor sport <http://www.kophillclimb.org.uk>

Other donations included £500 from the Relief in Sickness Charity, £200 from Neeld Masonic Lodge, £50 from the Charities Trust, £1400 from Guy Butler Ltd (thank you Heather for introducing us to the company) £4000 from Allergan and £285 from individual donations.

Thank you to all of you who have set up monthly direct debit donations, this regular income really helps when our treasurer Paul has the unenviable task of balancing our books.

We are also pleased to report we were successful in securing a Transport Grant from Bucks Community Fund and that two members of staff made generous donations to fund a Defibrillator for the hall.
